About us

Equitel Franchise Pvt Ltd was founded in 1993 by a group of Engineers from premier institutes having experience in manufacturing, marketing and projects with leading corporates and over the years, the Company has created a niche for itself in providing top of the line solutions.

The company specialises in Electrical & Electronic Instrumentation, Energy saving Lighting Solutions, Transformer Retrofits, Consulting and Technical services.

The company also undertakes export orders and contracts on Transformer product and accessories & Specialised Material Handling Equipment's and many other specialised products from India.

Our Mission

Provide the best cost-effective product & services to our clients.

We will ensure that we earn trust of customers, thereby making them our ambassadors.

Our Vision

We aspire to be a globally admired and responsible company. We also want to contribute to society towards building a sustainable future.

Our Core Team

We have an expert team of highly experienced professionals working with us in the field of Electrical/ Electronic instrumentation and in Exim trade.

Our Products

1. Control Panel Instruments & Relays:

- Digital Panel Instruments- having options for SCADA compatibility
- Digital Meters-Voltmeter, Ammeter, Frequency, PF, MW, MVAR including Multifunction Meters.
- Temperature Scanner with/without controller for Monitoring of OTI, WTI of Power Transformers.
- Tap Position Indicator for Power Transformers.
- Automatic Voltage Regulating Relay.
- Signal Transducers & Alarm Annunciators

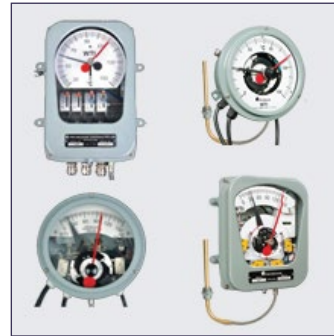

Dial Type Thermometer/ Temperature scanners

Hybrid Models

ATD / BTD For Motors & Generators

Standard Models

OTI With Contact

OTI Without Contact

WTI With Contact

Panels

Electronic Type Temperature Controller

Relays - Various types

Dual Type Thermometer

Remote Indicator

Tap Position Indicator

Our Products

2. Energy Saving Lighting Solutions:

Dealer of the widest range of high-power LED based lighting solutions, by combining the most advanced digital control, thermal management and lighting fixture designs with international performance & quality standards. Products include:

- LED Flood lights / LED Street Lights / LED Solar Street Lights / LED Indoor / Outdoor Lights, UV-C disinfection luminaries.

LED Solar Street Light

LED Outdoor Light

LED Flood Light

Led Lights for large projects like Railways, Offices, Airports, Schools, Malls

Led Indoor- Surface mounting type

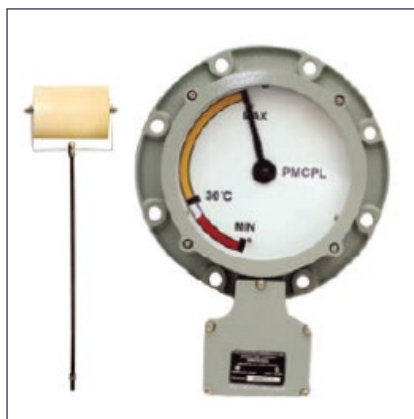

UV Luminaire

3. Transformer Retrofits:

Retrofits comprising new Conservator Tank with Atmosseal, Pressure Relief Device (in place of explosion vent) including supervision of fitment at site with minimum interruption and remarkable improvement in performance & longevity upto 100 MVA.

Pressure Relief Device (PRD)

MOG

Parallel Breathers

Our Products

4. Transformers Accessories & Spares like:

- Temperature Indicators/Controllers, eg: WTI/ OTI/ Repeaters/ MOG/ PRD
- SCADA compatible Digital Instruments, Transducers
- Silica gel Breather & Silica gel etc
- MIT Relay, Distance Protection Relay, Differential Relay, Disturbance Recorder Relay
- MOG, PRD, Aircell etc
- Heat & oil resistant Gaskets conforming to IS 4253:80 RC-70C
- Buchholz Relay, Magnetic Oil Level Gauge etc

Digital metering instruments

Electronic Temp Controller

Pressure Gauge

IED (Intelligent Electronic Device)

Annunciator

Pressure Relief Valves With/without Switch

Aircel

Oil Bath & Calibration Kit

Multi Funtion Transducer

Magnetic Oil Level Gauges

Our Products

We deal in widest range of products ranging from Relays, Transducers, WTI/OTI Measuring Instruments, Control Penneis and many more items.

The items details of some of them are given below

Rubberised Corksheets

Buchholz Relays

Silicagel Breathers

Automatic Voltage Regulating Relay

WATT, VAR & PF METER

Data Acquisition systems

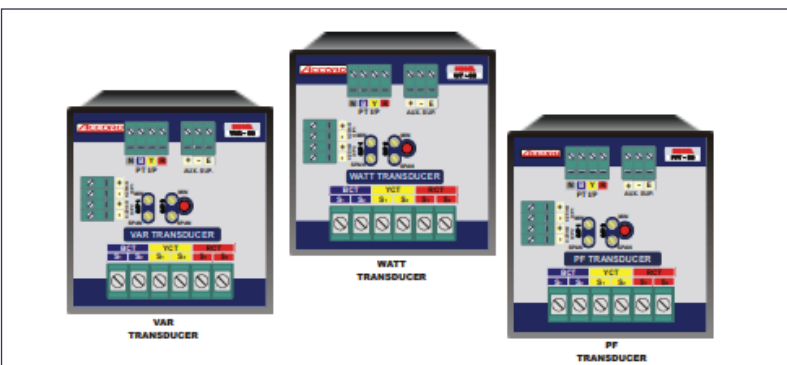

Smart Breather

Din Rail Mounted Timers

Restricted Earth Fault Relay

WATT, VAR, PF TRANSDUCER (DIN RAIL)

WTI, OTI & TEMP. TRANSDUCER

Many other items are also available , call us for requirements

Consulting & Technical Services

Equitel acts as a Technical Interface between the OEMs & the End Users and deposes its Team to carry out On Site survey of the Sub-Stations and on identifying / inspecting the faulty Instruments / Accessories etc. arranges similar / equivalent replacements at reasonable costs and within a short time.

IT Services

Equitel plans to foray also into the IT segment and will undertake IT assignments for both India & abroad.

Export & Import - Trading

Equitel also specialises in Exports activities and undertakes execution of export orders for Electrical Instruments, Lighting Products, other Advanced Equipment's.
